

YAY Move-a-Thon Fundraising Message

From July 8th through August 23rd, I'll be taking part in Youth Assisting Youth's new virtual fundraiser the YAY Move-a-Thon, and I'm inspired by the success of their proven Youth Mentoring Program. 98% of the thousands of kids they've worked with have stayed in school and on the path to success!

The goal of Youth Assisting Youth is simple: help at-risk kids overcome their barriers by giving them a caring youth mentor who can offer consistent guidance and support. And it works, for over 44 years they've created meaningful, life-changing relationships, helping thousands of kids to reach higher.

There are 400+ at-risk kids waiting to be moved into meaningful relationships with a mentor ... the only thing standing in their way is funding. Will you help me reach my fundraising goal to help these kids overcome their obstacles and succeed in the face of adversity? Every dollar goes a long way!

I encourage you to make a secure donation online at my personal fundraising webpage:
